#JudoWorlds

(Version 18 June 2019)

 @MariusVizer

Dear ladies and gentlemen, it is a pleasure to welcome the judo family to Japan for World Judo Championships Tokyo 2019 presented by Park 24 Group.

Judo's flagship event returns to the sport's homeland for the first time since 2010 and there's an unprecedented amount of excitement and media coverage for our eight-day spectacular.

This year's Worlds is a key part of our preparations for Tokyo 2020 and the same can be said for all the athletes and countries who are edging closer towards the end of the qualification period in May 2019.

I would like to thank the All Japan Judo Federation and its President and IJF Executive Committee member YAMASHITA Yasuhiro for their diligence and commitment to staging the IJF's most important competition along with a rich cultural program.

We are all anticipating a fantastic competition in a legendary venue in the home of judo and I wish good luck to the organisers, judoka, coaches, media, volunteers and everyone present at #JudoWorlds

**Marius L. VIZER**  
President  
International Judo Federation

25 August-1 September 2019

“Dear distinguished guests from the IJF and Judo family from around the World, on behalf of the All Japan Judo Federation, I welcome you all to Tokyo for the 2019 World Judo Championships.

At the 1964 Tokyo Olympics, Judo made its debut as an Olympic sport, the event being held at the newly constructed Nippon Budokan. Judo will return to this historic venue for this year’s edition of the World Championships as well as the Tokyo 2020 Olympic and Paralympic Games. The theme of this years World Championships is “The way is IPPON”. Countless pioneers have paved the way of Judo, it has been following one path, “Ippon”- from past to present, and will carry on to the future.

Kano Jigoro Shihan, Judo’s founding father, not only promoted Judo as a sport, but devoted himself to instil the principles of “human education” through the practice of Judo. Judo builds ones MIND -Manners, Independence, Nobility and Dignity- fundamental human values which stretch far beyond the dojo. These values developed Judo to become a world culture - and a sport for all; practiced by men and women, children and adults and ones with disabilities. The All Japan Judo Federation will continuously strive to promote the core values of Judo to the world.

The World Judo Family is represented by the Judoka participating in this event. I wish you all that you are able to fully demonstrate the results of your daily efforts. I expect you to not be arrogant after victory nor to be discouraged by defeat, but to keep in your heart the values of respect and humility. The heated competition and actions of fair play shown on the tatami will inspire fans and give them the courage to go after their dreams. I sincerely hope that these championships will also be an opportunity for athletes, officials and fans to nurture close friendships in Tokyo.

Last but not the least, I would like to express my cordial gratitude towards all who have contributed to the success of this prestigious event.

**Yasuhiro YAMASHITA**  
President  
All Japan Judo Federation

## 13. GENERAL INFORMATION

### FUNDAMENTAL PRINCIPLES

All National Federations, officials, coaches and athletes participating in the event described in these outlines must respect and accept the authority of the IJF Officials, the IJF Statutes, the IJF Sports and Organisation Rules (SOR), the IJF Refereeing Rules and the IJF Anti-Doping Rules. Individuals deemed to have acted against the IJF, its principles or purposes should be subject to suspension or expulsion from the event and/or cancellation of their accreditation cards.

### INSURANCE

Each National Federation is responsible for its competitors (the control of non-pregnancy and the control of gender). It must assume all responsibility for accident and health insurance as well as civil liabilities during all IJF events for everyone under their charge.

National Federations are also responsible to ensure that athletes who participate in the IJF WJT have sufficient technical knowledge (know the terminology and can execute all the techniques in the IJF SOR Appendix H) and understand fully the IJF sport and refereeing rules.

The organiser of the event and the IJF will not be responsible for any insurance related to the above-mentioned matters. Nevertheless, the National Judo Federation staging the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration. The organiser of the event and the IJF have no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event.

### CONSENT FOR PHOTOGRAPHY/VIDEOS/FILMING

Delegates inscribed by their National Federations for WJT events consent to the IJF and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and IJF. It will also be acquired by the IJF and its media partners from in and around all IJF WJT event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.

The National Federation must ensure that they have the permission of each delegate or in the case of a minor the permission of the parent/guardian.

If a delegate does not give consent, then the National Federation must inform the International Judo Federation by writing to [registration@ijf.org](mailto:registration@ijf.org).

### **ACCOMMODATION**

All delegates inscribed for an IJF WJT event must stay in one of the official hotels, offered in the outlines by the organisers, for a minimum of two (2) nights, e.g. total of 4 people inscribed in judobase = 8 nights or more must be reserved.

This rule does not apply to the host National Federation delegates.

Any damage to hotel property resulting from the stay of a national delegation will be charged to the national federation and must be paid in full.

Delegations are kindly requested not to dry clothing (including judogi) or have training sessions in the corridors of the official hotels.

According to the IJF rule enacted on the 2 December 2012 in Tokyo, “the organising country should not request penalties fee for participating countries who cannot make bank transfers but can pay in cash upon arrival. Those countries who cannot make bank transfers should inform the organisers well in advance that they will pay cash on arrival”.

### **COMPETITION RULES**

The competition will be conducted in accordance with the latest IJF SOR, IJF Refereeing Rules and IJF Anti-Doping Rules.

System of competition: quarterfinal (last 8) repechage, duration of contests: four (4) minutes (real time).

Weight categories: Men -60 kg, -66 kg, -73 kg, -81 kg, -90 kg, -100 kg, +100 kg  
Women: -48 kg, -52 kg, -57 kg, -63 kg, -70 kg, -78 kg, +78 kg

### **INSCRIPTION OF DELEGATES**

Only entries of member National Judo Federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete's career, inscribe an athlete into an IJF event, under his/her National Federation Flag or under the IJF flag, according to the specificity of the case.

Athletes can be entered in ONLY one weight category per IJF WRL event. Participating athletes must be born in 2004 (15 years in the calendar year) or before.

Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions. When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians “in loco parentis”.

Each National Federation may enter:

- Up to 9 entries for women with maximum 2 athletes per category.
- Up to 9 entries for men with maximum 2 athletes per category.

The total delegation of both men and women is a maximum of 18 athletes. Non-competing athletes or training partners can be inscribed as judoka.

After the deadline changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official etc.

## **ACCREDITATION**

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration. A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position.

Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation. The fee for additional team official(s) (who must be inscribed in judobase) is 200 euro per accreditation, to be paid to the organisers.

## **DRAW**

A maximum of three (3) delegates per National Federation (2 officials and 1 athletes' delegate) may attend the draw.

Dress code: formal suit (jacket, trousers, shirt and tie for men; jacket, trousers/skirt/dress, blouse for women) and formal shoes.

The top eight (8) athletes from the entered competitors in each weight category will be seeded according to the current World Ranking List.

### **WEIGH-IN**

The weigh-in will be carried out in accordance with the IJF SOR. The official weigh-in for athletes will be scheduled the day before the competition:

- Unofficial weigh-in: 19:30 to 20:00.
- Official weigh-in: 20:00 to 20:30.

### **JUDOGI CONTROL**

For further information on judogi rules please refer to the IJF SOR. Each competitor is obliged to have sewn on the back of his judogi a backnumber bearing their last (family) name and National Olympic Committee abbreviation. The last (family) name (and any part of their given (first) name) on the back number must have the same letters as that registered in judobase.org as this database provides the accreditation cards, athlete name on TV graphics and scoreboard etc.

The top of the backnumber must be fixed horizontally and centrally three (3) cm from the bottom of the collar.

The backnumber can only be ordered from [www.officialbacknumber.com](http://www.officialbacknumber.com).

The Education and Coaching Commission will inspect the judogi jacket every evening. The checking process will start half an hour prior to the unofficial weigh-in and will end at the same time as the official weigh-in (19:00 – 20:30).

The backnumber and publicity should comply with the current IJF judogi regulations.

White judogi: Organiser's sponsor, blue judogi: IJF sponsor

The official sponsor label of the event will be given provided that:

- The judogi are clean and dry.
- The backnumber, publicity and emblem are properly sewn and do not show any wear or tear.
- All previous advertising has been removed.

Guide to attaching and removing the sponsor label:

- Lay the judogi flat and attach the new sponsor label of the event on the back of the correct judogi.
- Ensure the label is firmly attached around the edges
- Immediately after the competition and before washing remove the sponsor label.

The organiser has the right to charge for any sewing service that is deemed larger than a small repair.

## COACHING

Coaches nominated by their National Federations should respect the IJF Code of Ethics and IJF SOR. Any coaches not adhering to these rules could be subject to disciplinary action.

## AWARDING CEREMONY

Each athlete who has won a medal must be present at the ceremony to receive their medal personally. Any athlete who is absent from the awards ceremony without a good reason may forfeit the medal and prize money.

Athletes must attend the medal ceremony barefoot, without any hat, cap or any similar head covering and wearing their IJF approved white judogi that conforms to the IJF judogi rules with special attention being paid to the publicity rule. If it is not clean, then they must wear a reserve judogi.

It is strictly prohibited for athletes on the podium to have national flags or similar items other than those on their judogi. Any demonstration with religious, political, personal or commercial connotation is prohibited.

Athletes must also be available for interview after the last awarding ceremony if requested by the IJF Media Team. If they do not attend disciplinary action may be taken.

Before each match the team leader must select the athletes for each contest. From the maximum of two athletes inscribed in each category they can select one. An athlete cannot be rested for one match and return for the next unless they have been replaced by the other inscribed athlete.

If the team has no athlete in a category they should select the "no competitor" option.

For the first round the lists must be returned at least 30 minutes before the start of the competition. For other rounds it must be returned 5 minutes after receiving the list from competition management. Once it is returned to competition management it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time). After the team bow the byes are displayed on the scoreboard and wins are given.

Example: If blue team has one category empty: 1:0

Example: if both teams have a different category empty: 1:1

Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought.

The first team reaching the majority of wins (4) is declared the winner. The remaining contests will not be fought.

It is compulsory that all athletes listed for the match compete until the team reaches the winning result. If an athlete refuses to compete the team will be disqualified.

If one team does not arrive for a match, the other team will be declared the winner. If there are an equal number of wins (3:3) at the end of the match, a draw is done from all categories regardless if the team has a player or not (if both teams don't have a player in the same category, this category will be not included in draw). The athletes in the drawn category will refight a golden score contest. The draw is done by computer and displayed on the athlete and public (big screen) scoreboards.
